Air Show Affected Areas

The following areas will no longer be available for use due to air show set-up and operation:

This is an aerial photograph of an airfield. A large yellow semi-transparent rectangle is at the top. A light blue polygon is in the center. A large reddish-brown polygon is on the right. A yellow semi-transparent rectangle is at the bottom. Red arrows point from the yellow rectangles to various red-shaded areas on the left and bottom of the airfield. A compass rose is in the top right corner.
